EG GOALKEEPER INJURED DURING 7-0 LOSS AT OGS

There is still a four way tie at the top of the Men's Hockey League Premier Division after the latest round of matches.

Old Georgians extended their goal difference advantage over second placed Surbiton to eight goals after they beat East Grinstead 7-0 in a fractious affair, after a serious injury to EG goalkeeper Sam Lloyd requiring hospital treatment. After a delay in proceeding the match restarted with Striker Luke Emmett kitting up taking an unfamiliar place in goal for East Grinstead. Sam Ward scored four goals in the 6th, 20th, 22nd and 41st minutes, the first coming from a penalty corner, with Tom Carson scoring in the 19th minute. James Carson scored in the 49th minute and Liam Sanford converted a penalty corner a minute later.

With fifteen minutes to play at the University of Durham, Surbiton were headed for their first goalless draw since November 2008, but the hosts experienced amazing déjà-vu as for the second week running, not only did they concede three goals in the final quarter, but the three goals were scored at the same times.

Rob Farrington broke the deadlock for Surbiton in the 56th minute with Ben Park and Luke Taylor converting penalty corners in the 68th and 70th minutes. Peter Friend scored for Oxted in the 56th and 68th minutes and Nick Giles scored in the 70th minute last week at Maiden Castle.

Wimbledon cruised to a 6-0 win at Oxted. Callum Mackenzie opened the scoring in the seventh minute before Duncan Scott completed a hat-trick with one goal in the 42nd minute and two in the 61st. Eddie Way's 56th minute penalty corner and Evan Kimber's strike with two minutes remaining completed the rout.

Hampstead & Westminster's unbeaten record was in jeopardy with ten minutes to play as the University of Exeter led 3-1. Matt Ramshaw gave the hosts a 1-0 half time lead after scoring in the 17th minute, only for Matt Simmond to level from the penalty spot in the 41st minute, Seb Ansley to put Exeter 2-1 ahead a minute later and Luke Brown to double the lead in the 44th minute. The Londoners' comeback began with Matt Guise-Brown converting penalty corners in the 61st and 62nd minutes to set up Rupert Shipperley as their hero with a last minute winner.

Brooklands Manchester University drew 3-3 for the second week running, having come from 3-0 down to salvage a point at East Grinstead the week before. Peter Flanagan put Brooklands 1-0 up with an 18th minute penalty corner, Beeston equalising a minute before half time through Gareth Griffiths. Craig Getty restored Brooklands' lead in the 46th minute only for Kai Aichinger to restore parity with fifteen minutes left. Andrew Jackson seemed to have given Brooklands all three points in the 65th minute, but Aichinger struck again three minutes from the end to earn Beeston's first point of the season.

SURBITON LOOK TO TAKE THE INITIATIVE

Surbiton have the opportunity to go to the top of the Men's Hockey League Premier Division table when they host Brooklands Manchester University on Saturday night. Surbiton won 8-1 at home on the opening day of last season and the result followed the pattern of previous seasons when Surbiton won 7-0, 7-1, 5-1 and 6-2 after Brooklands last won at Sugden Road, 5-3 in February 2016. Brooklands have drawn their last two games 3-3 at home to Beeston and at East Grinstead while Surbiton will be looking to score more goals, although the University of Durham kept them scoreless until the fourth quarter last Sunday before going down 3-0.

If Surbiton win, Old Georgians will want to make the most of their superior goal difference by winning at Holcombe on Sunday. Results between Old Georgians and Holcombe have been mixed with a 3-3 draw, a 5-4 win for Old Georgians and last season, a 3-2 win for Holcombe in Kent. This season, Old Georgians have scored 16 goals and just conceded 1, at the University of Exeter in securing three wins, whilst Holcombe lost 6-4 at Surbiton after collapsing in the fourth quarter, won 3-0 at home to the University of Durham and lost 2-1 at Wimbledon before a bye week last weekend.

Hampstead & Westminster needed an epic comeback to maintain their one hundred per cent record by coming from 3-1 down to beat the University of Exeter 4-3 last week, and travel to Beeston, who secured their first point of the season in the draw at Brooklands. Hampstead won 4-3 on their last visit to Beeston, having lost four matches in a row in Nottingham and will aim to start their own winning streak in the East Midlands.

Wimbledon are still in contention although they lost their first match of the season and welcome the University of Durham to South West London. Durham will be a little shell shocked after conceding three goals in the fourth quarter two weeks running with the goals coming at the same times in both matches. Last season Wimbledon won 6-4 in a goal fest and Durham will be hoping to put up a similar battling performance this season. Wimbledon have won their last three games with a 6-0 demolition of Oxted last week.

Oxted are in the unusual position of having won both their away games, but lost both home games and when the University of Exeter visit Surrey, they will be hoping to break the pattern. Historically, the University of Exeter have had the edge, both in the old National South Division and the 2009 Promotion Tournament, but Oxted won 2-0 last season when the teams met for the first time in the Premier Division. The University of Exeter will be hoping to end their run of defeats, which goes back to February 2020 when they won 3-2 at Brooklands Manchester University and currently stands at eleven.

THE HOCKEY WORLD NEWS MEDIA GUIDE IS BACK!

Welcome to this week's edition of the Hockey World News Media Guide covering the Men's Hockey League for the 2021-22 season. The Hockey World News website can be found at <https://hockeyworldnews.com/>

Unfortunately, due to circumstances beyond my control, this season's Media Guides are currently more limited than in previous seasons, partly because I haven't received complete goalscorer details including time and method of all the first week's Premier Division goals. This means that at the moment, I can't compile early/ late goals stats; sort goalscorers by method (traditionally open play/ penalty corner/ penalty stroke) etc. The match-up grids which were popular last season are also not really an option at the moment as I can't compile earliest and latest goalscorer information for each team. Hopefully the matter will be resolved in future weeks and if and when the information is received the Media Guides will contain the backdated information.

England Hockey have introduced a website where certain data regarding fixtures can be found whilst the problems with GMS continue. <https://matches.englishhockey.co.uk/>

As stated, the website is updated at regular intervals and the data is not live.

For the latest player movement information, go to <https://www.thehockeypaper.co.uk/articles/2021/06/29/england-hockey-premier-division-transfers-2021-22-latest-ins-and-outs>

In the Matchday Notes, I've included details about matches at both teams' home venues including goalscorers, usually up to the last five games, but variable where teams have met a limited number of times.

Finally, I've started to try and piece together various national league tables and Premier Division club squads from various sources.

As usual, please bear in mind that this media guide is a one person compilation, so if you find any errors, please let me know, but remember that there is very little scope for double checking content compared with a dedicated media team and current circumstances are making data compilation more difficult than in previous seasons.

The design of the media guide is something which will also be looked at during the season, but the current priority is to try and share as much information as possible.
