

**WOMEN'S SUPER SIXES
MATCHDAY MEDIA GUIDE
30 JANUARY 2022**

WELCOME TO THE WOMEN'S SUPER SIXES MEDIA GUIDE!

Welcome to the Hockey World News Media Guide covering the Women's Super-Sixes

The Hockey World News website can be found at <https://hockeyworldnews.com/>

This Media Guide lists the complete record at a glance of the four qualifying teams in the 2022 Premier Division, as the only alternative is to click on every match on England Hockey Altius.

Head to Head records for all six potential match-ups on Finals Day are also included.

Although recent seasons' data can be found on England Hockey Altius, only results for the various divisions were published on Fixtures Live. Fortunately I managed to find the scorers for Slough's 5-0 win over East Grinstead in December 2013 from a Snowdons' press release.

The results of all the finals since 2009 are also listed, plus final league tables for the Premier Division, Division One and Division Two for the 2022 season.

There are also direct links to the individual division home pages on England Hockey Altius, plus the latest news about the upcoming European Indoor tournaments with links to the tournament pages on EuroHockey Altius and links to press releases on the Eurohockey.org website for recent developments including tournament cancellations.
